VEYC Now Has Enough Cash to Replace D-Hall Roof!

Youth Camp Roofing Project!

Thanks to all lodges and persons who have contributed their time and efforts to raise the funds for the installation of the new roof on the dining hall.

The time has finally arrived where we have secured enough funding to complete this long awaited project. The installation has been slated to start Monday, September 15th., weather permitting, and to be completed within 7-8 days.

The Executive Board of the Virginia Elks Youth Camp is very appreciative of the donations, fundraisers and pledges that are provided throughout the year. We are once again humbled by the sincerity of the VEA in support of our beloved Youth Camp.
