Exalted Rulers, Secretaries, Lodge Youth Camp Directors,

Well, we're ready to kick off another camping season at the Virginia Elks Youth Camp. May saw a successful work weekend and Ranger Mike and the maintenance folks are working to have the camp in top shape for our staff and campers.

In an effort to more effectively and efficiently manage our expenses, we would like to request an estimated boy and girl head count from each of the Lodges. This will assist the staff in ordering food and recreational supplies and hopefully eliminate waste.

Please do one (or both) of the following:

- 1) Before Friday morning (6/12/2015), email me at davekelly@live.com with an estimated girl count and an estimated boy count.
- 2) At the 4:00 PM Friday Youth Camp meeting at convention, when your Lodge is called for attendance, kindly respond with your counts.

Thank you to everyone for your continued support.

Fraternally,

Elks Care - Elks Share
