Virginia Beach 2268 Donates Food Vouchers to NAS Oceana

L to R, Southeast DDGER/4th VEA VP/PER Paul Shoemaker, Command Master Chief Eric Clark, Exalted Ruler Karyn Swenor, and PER Joel Marquez.

Virginia Beach 2268 had the wonderful opportunity to make a donation to Naval Air Station Oceana Sailors by way of food vouchers. Virginia Beach 2268 takes pride in making homecomings and the holidays a little more enjoyable for the nearly 14,000 Sailors that are stationed just down the street from the lodge. Virginia Beach 2268 looks forward to many more opportunities with NAS Oceana in the near future.
