

Virginia Beach 2268 Holds Community Day June 29

Virginia Beach 2268 held its first ever “Community Day” on 29 June 2013. Using the Beacon Grant, Elks provided information on Drug Awareness, Youth Camp, Veterans Services and Americanism to name a few. With an incredible turnout of 132 people, it turned out to be a huge success.

Virginia Beach Fire Department showed up providing fire safety as well as car seat checks by their own Fire Department clown, “Buckets”. With plenty of food, water, sodas and juices, 48 children participated in Drug Awareness activities including coloring books, stickers and balloons. Blood screenings, massages, tax preparation

information by Liberty Tax consultants, and Sentara Health Care professionals kept the adults occupied while the children enjoyed snow cones, bounce house and Elroy T. Elk. Virginia Beach looks forward to doing this again next year!
