## Virginia Beach 2268 Holds Member Appreciation Event

Virginia Beach 2268 took some advice from the annual Elks training and held a “Membership Appreciation” event. This event gathered about seventy-five members and prospective members. This proved to be a huge success and let us show our members that they are much appreciated. People

attending were admitted free if they were current on their dues and a five-dollar charge for guests. Prospective members were admitted free as well. Great food was cooked and all of it was donated. Membership applications were handed out as well as literature of what the Elks are all about. A great time was had by all. Looking forward to the next one!
