

Virginia Beach 2268 Steps Up for Down Syndrome

On October 17, the Lodge 2268 Drug Awareness team and Elroy T. Elk provided drug awareness materials, crafts, candy, and fun at the Step Up for Down Syndrome Awareness Walk at Mt Trashmore in Virginia Beach.

The children loved dancing and hugging Elroy plus creating Halloween crafts provided by Lodge 2268 utilizing the Gratitude Grant. The Drug Awareness crew also promoted Red Ribbon Week in support of educating families and communities on the destructive effects of alcohol and drugs.
