

Virginia Elks Camping Weekend Update

We are changing the weekend date and location. September 15-16, 2017!

A lot of campers want to have **full hook ups** so I have worked out a discount of 10% off regular pricing at **NORTH LANDING BEACH RV RESORT & COTTAGE** in Virginia Beach.

Week End Price: Camp Site – \$121.62, Cottage two bedrooms - \$335.52, Tent Site – \$92.27

Location is 161 Princess Anne Rd.

Virginia Beach, Va. 23457

Web site: www.NorthLandingBeach.com.

You can check out their web site to see what they have to offer. This is a family friendly campground and it is a pet friendly site. You can bring the kids and your pet with you. You can enjoy the pool or the beach right at the campground. They also have Cable hook up, billiard room, fitness center, laundry, and kayak & canoe rental, mini golf, with free Internet access. If you do not have a camper or a tent, you can rent a **cabin with one or two bedrooms**, so you can come and enjoy the weekend with your Elks friends.

Attractions in the area are Military Aviation Museum (I am not sure what the admission price is yet), C2 Shooting range is about one mile away.

We will be having live music for Saturday night, and Paul Shoemaker will be cooking a pig for us again. As we did last year you will need to bring, a covered dish and we will see how much the pig will cost and will divide the cost.

Saturday we are planning on a trip to the Military Aviation Museum. If you wish to venture out on your own or just stay at the campsite, you are welcome to do so.

You can call the campground and make you reservation with them (ask for the Elks discount). 757-426-6241 **Make your reservation as soon as you can because sites will fill up quickly.**

If you have any questions call or e mail me or Paul Shoemaker
